Hi Marianne, here's the call in number for tomorrow:

Ex. 6 Personal Privacy (PP)

I know you were confirming the 8:50 am ET time with Ex. 6 Personal Privacy (PP) – does it look like that will work?

Thank you,

Hi Marianne – Betsy is not in today so I wanted to get back to you in response to your note. We are still available at 9:00, however, we have an all-hands meeting that we must all attend at 10:00. In order for us to make that on time we will need to break at 9:50 or so. I don't want to skimp on our hour together if we need a full hour. So, I wanted to provide the option of starting at 8:50. Please let me know if you think Thursday morning is still the time that works best for you and your clients and if so, whether you would prefer to start a little earlier. Thanks! Lilian

I'm still confirming, but it looks like Thursday at 9 eastern/8 central is likely to work. Let's pencil in the time.
